**Engaging
the COMMUNITY
Empowering
the MOTIVATED**

**All individuals and
families have the capability to
be financially stable given the
appropriate resources. The question
is then, “How can we reach this plateau
of financial independence in today’s
economy?”**

**Circles™ is an innovative initiative that
attempts to tackle this issue head on.
Over the past ten years Circles™ has
been transforming communities
throughout the United States.**

WHAT IS A CIRCLE?

Circles[™] is an exciting new initiative that builds strong relationships within the community, transcending gender, class lines and ethnic backgrounds. It is a reciprocal relationship between a Circle Leader (a low-income family) and up to five Circle Allies (voluntary members of the community) that is beneficial and rewarding to both parties. Through this initiative individuals and families can make real and positive changes in their life. It will create a community where all can thrive, not just survive.

CIRCLE LEADERS ARE:

- Individuals who are hard working and low-income.
- Individuals who are motivated to increase their financial stability.
- Individuals who identify their goals and construct a plan for success.
- Individuals who are committed to continual growth and learning, strengthening both their family and community.

“My Circle gave me a sense of family that I needed. They were reliable and held me accountable to my dreams.”

Circle Leader

ALLIES ARE:

- Members of the community who volunteer to form the support network for the Circle Leaders;
- Individuals who want to make a difference in our community by being a friend, broadening horizons and opening doors to a future of possibilities for Sussex County families;
- People who are willing to give just a few hours a month to make a profound difference in a struggling family's life by making a phone call, helping a Circle Leader reach a goal or overcome a barrier, and celebrating successes.

“It's good for my business, it's good for me, and it just feels right to be involved.”

Ad-Hoc Ally

AD-HOC ALLIES ARE:

- Individuals, organizations or businesses who provide a service to the family, including but not limited to:

a. Car repair	g. Vocational training
b. Transportation	h. Personal and career coaching
c. Tutoring	i. Assistance with events
d. Appliance repair	
e. Haircuts	
f. Financial supporter.
