

Strategic Prevention Framework Project

Reducing the Harmful Consequences of Alcohol and Other Drugs among 18-25 Year Olds

A program of the Center for Prevention and Counseling (CFPC)

61 Spring Street, 3rd Floor, Newton, NJ 07860

Phone: 973-383-4787 Fax: 973-383-6576

Membership Application (please print)

This agreement acknowledges the partnership between the SPF Project, a program of the Center for Prevention and Counseling, and the named organization/individual. In applying to become a member of the SPF Project, I agree to support the goal of this project to reduce the harmful consequences of alcohol and other drugs among 18-25 year olds; openly communicate with local partners to share information; participate in Project activities; provide input on Project efforts.

Application for: (check one) Individual Membership _____ Organizational Membership _____

Please indicate below the level of participation you wish to commit to. (Check one)

_____ General Membership:
A general member is one who is interested in the SPF Project, wants to receive information and will assist the SPF Project with in-kind services and/or outreach if called upon and available. He/She may also attend monthly meetings when able and/or join a subcommittee.

_____ Steering Membership:
A steering committee member is one who is committed to attending a majority of the SPF Project's monthly meetings and assist with its efforts as needed. He/She may also participate in a subcommittee.
